MSc Student in Pervasive & Mobile Computing Systems

e-mail: [std145288@ac.eap.gr](mailto:std145288@ac.eap.gr)

I am a **Civil Infrastructure Engineer** and working as **Head Survey Engineer** in a technical office of Rural & Surveying Consultant Engineers.

I always had a passion about computers and informatics and finally on July 2019 i obtained my **BSc in Computer Science**. My desire to expand my knowledge in CS, has led me to follow the **MSc course in “Pervasive and Mobile Computing Systems”** of **Hellenic Open University**.
